GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Mines & Minerals – Minor Minerals – Amaravati Capital City Works - Constitution of State level and District level Monitoring Committees in NTR, Krishna, Guntur, Palnadu and Eluru Districts to ensure uninterrupted supply of Gravel, Road Metal and Sand for Amaravati Capital City Works – Orders - Issued.

==========

INDUSTRIES & COMMERCE (M.III) DEPARTMENT

G.O.MS.No. 232 Dated: 09-12-2025

Read the following:

1. Review Meeting of Hon'ble Chief Minister on mining sector dated 02.12.2025.
2. Govt. Memo No. INC01-MG0DMGE/363/2024-M.III from Industries & Commerce (M-III) Department, dated 26.12.2024.
3. Memo No.9757003/D6/2024, dated 24.02.2025 of DM&G, A.P.
4. From the DM&G, AP vide Lr.No:INC04-22021(36)/17/2024-Planning Sec-DMG, Dated: 04.12.2025.

****

In the reference 1st read above, a review meeting held on 02.12.2025 on mining sector and directed that District Collectors shall act as a pivotal single window authority ensuring smooth supply of minerals for CRDA works. District and State level PMUs to be established to monitor progress, resolve bottlenecks in a time-bound manner, facilitate identification of new areas wherever required, and ensure uninterrupted supply of materials.

2. In the memo 2nd read above, Government has nominated CRDA for grant of leases in the identified mineral-bearing areas in the districts of NTR, Krishna, Guntur, Palnadu and Eluru, which are in close proximity to the Capital region to ensure availability of required material. Further DM&G, AP has issued directions to District Mines & Geology Officers of NTR, Krishna, Guntur, Palnadu and Eluru districts to cooperate with CRDA officials for the activities right from filing quarry lease applications, obtaining NOCs from the Revenue Department, securing approvals of Approved Mining Plam (AMP), Environmental Clearance (EC), Consent to Establishment (CTE) and Consent to Operate (CTO) from the competent authorities till execution of Quarry leases in favour of CRDA vide memo 3rd read above.

3. In the e-file 4th read above, the Director of Mines& Geology, AP has requested the Government to issue necessary orders on the constitution and operationalization of the District level and State level monitoring committees to ensure coordinated facilitation and uninterrupted supply of Gravel, Road Metal and Sand for Amaravati Capital City Works.

4. Government after careful examination of the matter is hereby constituted the District level and State level monitoring committees as detailed below, to ensure coordinated facilitation and uninterrupted supply of Gravel, Road Metal and sand for Amaravati Capital City Works.

(P.T.O)

I. District-Level Monitoring Committee:

i. The District level monitoring committee shall conduct weekly meetings under the Chairmanship of the District Collector and end to end monitoring of the supply of building materials such as Ordinary Earth, Gravel, Road Metal and Sand to Amaravati Capital Works.

ii. Composition of District Level Committee:

a. District Collector - Chairman
b. District Mines & Geology Officer – Member Convenor
c. Representative of CRDA – Member
d. Revenue Divisional Officer concerned – Member
e. APPCB Zonal Environmental Engineer – Member
f. District Forest Officer – Member
g. Representatives of CRDA contractors

iii. Functions of the District level Monitoring Committee:

a. Review and facilitate filing and processing of applications in the areas nominated for CRDA by the executing agencies.
b. Review pendency of all statutory clearances (Approved Mining Plans, Environmental Clearance, Consent to Establish, Consent to Operate and Revenue NOCs, wherever applicable)
c. Address inter-agency coordination issues and facilitate supply of minerals from the authorized quarries.
d. Identify bottlenecks and ensure resolution within 48 hours.
e. Track the demand and supplies of Gravel, Road Metal and Sand on a weekly basis and identify additional sources through joint inspections and submit proposals for nomination to CRDA, if required.
f. Acquisition of Patta Lands suitable for excavation of gravel required for supply to Capital Works.
g. Act as the single-window platform for coordination relating to minerals required for Capital works and ensure operationalization within timelines.
h. Escalate unresolved matters to the State monitoring committee.
i. The role of Dist., Level Committee shall be to ensure that there is no unnecessary inconvenience by the SCC contractors for the dispatch of the materials for the capital works.

II. State-Level Monitoring Committee:

i. The State level monitoring committee shall conduct fortnightly oversight meetings under the Chairmanship of Additional Commissioner, CRDA for Consolidated review across all five districts regarding mineral supplies to Amaravati works.

Con..pg.3

ii. Composition of State Level Monitoring Committee

a. Addl. Commissioner, CRDA – Chairman
b. Director of Mines & Geology – Member Convenor
c. Representative, APPCB - Member
d. Representative, SEIAA - Member
e. Representative, Forest Department - Member
f. District Collectors of NTR, Krishna, Guntur, Palnadu and Eluru – Members
g. Invitees: Contractors/ Project Officers or any others
